1. zPoint Products: About Investing

zPoint Products is a division of Techsol, a North American (NAFTA) corporation specializing in **low-cost embedded technology design and board fabrication**. We offer a variety of products and programs that will **save you money installing Building Automation Systems** using our **proven ZigBee-powered platform to mitigate risks**. In addition, our solutions provide both **energy cost savings** and **increased comfort and convenience** for your customers.

1.1. zPoint Products Investor Information

zPoint Products is a self-funded company.

Profits are split between new investments into research and development, employee profit-sharing, and shareholder dividends. And many of the shareholders are also employees. If you are an **active investor** with proven financial management skills, and you are willing to join a company going where no company has gone before, then lets talk.
