## 1. Introduction to zPoint Products' USB Dongles

zPoint Products is a division of Techsol, a North American (NAFTA) corporation specializing in **low-cost embedded technology design and board fabrication**. We offer a variety of products and programs that will **save you money installing Building Automation Systems** using our **proven ZigBee-powered platform to mitigate risks**. In addition, our solutions provide both **energy cost savings** and **increased comfort and convenience** for your customers.

## 2. zPoint ZigBee USB Dongle

zPoint Products makes a tiny USB dongle that is a ZigBee Configurator.

un-packaged USB dongle for ZigBee Wireless

The one in the photo is an un-packaged product so that you can see the number of components required to build this. In addition, zPoint Products has added our own applications and messaging to simplify application development.
