## 1. Information About zPoint Products

zPoint Products is a division of Techsol, a North American (NAFTA) corporation specializing in **low-cost embedded technology design and board fabrication**. We offer a variety of products and programs that will **save you money installing Building Automation Systems** using our **proven ZigBee-powered platform to mitigate risks**. In addition, our solutions provide both **energy cost savings** and **increased comfort and convenience** for your customers.

## 2. Prices for zPoint Products Products

Our prices are volume and configuration dependant.

If the configuration that you need is not shown here, then please call.

Volume discounts are given for quantities of 100 or 1000. If your volumes are higher, then please call for a price quote or more information.

The pricing is below. You can click on the "PDF" icon at the top right to get a version that may be better suited for printing.
